ELECTION IN RESPONSE TO A RESTRICTION REQUIREMENT

AND PRELIMINARY AMENDMENT

Bellevue, Washington 98004

April 7, 2003

TO THE DIRECTOR OF THE PATENT AND TRADEMARK OFFICE:

The following is in response to an Office Action mailed March 21, 2003, in which the Examiner restricted the above-identified patent application. The Examiner noted an inconsistency in the numbering of the claims. Applicants request that the above-identified application be amended as set forth below to correct the claim numbering and to add additional claims consistent with the elected invention, and further request that the Examiner consider the application in view of these amendments and the election that follows. A clean version of the amendments is shown below. A marked-up copy of the amendments follows this response and is entitled MARKED-UP VERSION OF THE AMENDMENTS.
